Introduction

This Bible study sheet is available to assist you in taking notes as you watch the video titled: *Strength* by Dawn Dyson Ministries.

We pray this lesson blesses you and bolsters your prayer time with the Lord!

God bless you!

John 10:42

And many there _____ and confidently _____ in Him [accepting Him as Savior, and following His teaching (AMP).

When we have faith in God, we are to drop and deny:

- 1)
- 2)
- 3)

Fear is the opposite of faith. Describe faith in your own words:

Now, describe fear:

Do you recall learning how to float as a child? If so, you were likely afraid, but your instructor said, "Just trust me." When we walk on water, we are exercising faith in God that is counter-intuitive to our natural reason. Yet, just like floating on water, it works best when we trust our Instructor, relax and have faith.

List three ways you can exchange fear for faith right now.

- 1)
- 2)
- 3)

Take some time to pray. Ask God to direct you and to accomplish His will through you. Jot down any directives He gives you, or describe a goal you believe is God's will for your life.

Are there any key areas which need further study in the Word of God? If so, list them...

Philippians 4:13

I can do _____ things [which He has called me to do] through _____ who strengthens and empowers me [to fulfill _____ purpose—I am self-sufficient in Christ's sufficiency; I am ready for anything and equal to anything through Him who infuses me with inner _____ and confident _____ (AMP).

Does God want His will, or our will? Why?

Do you have any areas of contention where you are struggling between doing what you want to do, versus doing what God wants you to do? If so, list these areas below.

MY WILL | GOD'S WILL

Helps Word Studies helps us define the human soul (paraphrased):

The soul is the direct aftermath of God breathing His gift of life into a person, making them an ensouled being. *Psyché* ("to breathe, blow" is the root of the English word "psyche" (soul) or "psychology" – a person's distinct identity, unique personhood, and individual personality.

In consideration of Job 42:2, which says, *I know that You [God] can do all things, And that no thought or purpose of Yours can be restrained*, does it make any sense to worry about your accomplishments in life if you want God's will?

How can yielding to God's will give you peace in your soul?

Define strength:

Joshua 24:15

If it is unacceptable in your sight to serve the Lord, _____ for _____ this day whom you will serve: whether the gods which your fathers served that were on the other side of the River, or the gods of the Amorites in whose land you live; but as for me and my house, we will _____ the _____ (AMP).

Floating on water makes no _____, but it _____ the moment we _____ God's _____ and cooperate with it.

List three major areas you have been struggling with in your faith, things that seem impossible, or illogical, to you:

Faith overrides reason. A brave heart can often accomplish more for God on the earth than an analytical mind. Do you believe in the Word of God over your fear? Is fear any more “realistic” than faith?

Describe what these verses mean to you (paraphrased):

Be it unto you as you have believed (Matt 9:29).

As a man thinks in his heart, so he becomes (Prov 23:7a).

List three events in your life where your faith has resulted in God answering a mentally “impossible” prayer. *Example:* The doctor’s report said I would never recover. That has been ten years ago and I have never felt better.

Read [James 6:1-8](#) and [Mark 12:30](#). Do your heart and your mind peacefully coexist within you? Do your thoughts and your feelings support your soul (God-breathed personality)? Why or why not?

Romans 6:18-23

Please read this passage in the translation of your choice, and paraphrase what you believe Paul is saying:

The film, "Strength" by Dawn Dyson Ministries, includes this sentence: *If people have the energy to do the wrong thing, they have the energy to do the right thing.* Do you agree? Why or why not?

List at least three areas in your life where you can exchange a negative habit for a positive one.

- 1)
- 2)
- 3)

List the initials of three people in your life engaging in behaviors that are obviously contrary to the Word of God and pray specifically for them this month. Ask God for opportunities for you (or others) to communicate the Gospel message with them during the upcoming weeks.

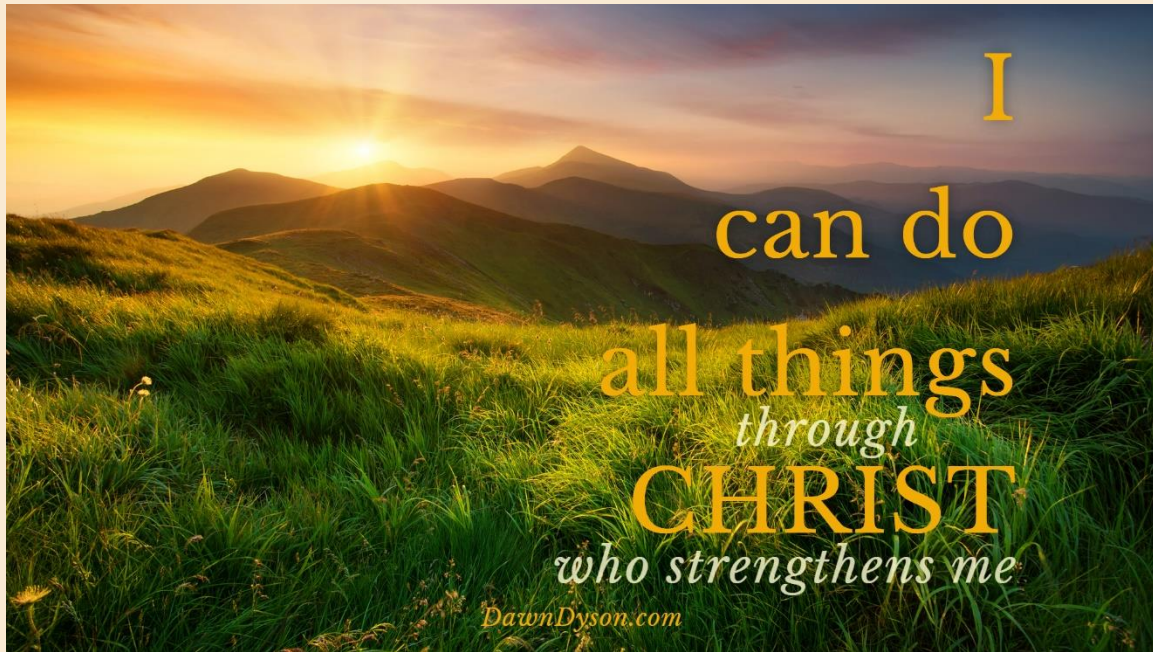

On a scale of 1 (poor) to 10 (excellent), circle the number that represents your desire to please God over man:

1 2 3 4 5 6 7 8 9 10

Write out Galatians 1:10:

We get one life on this earth. *What else do we have to do here but God's will?* Jot down your thoughts:

Recap

In this lesson, we have discovered that several things can hinder us in our walk with God, such as: our own illogical fears; concerns about what other people may think; letting our mind override our heart. We have also learned, ALL good things we are called by God to do are accomplished **by Him** through us. We can rest, and float across the waters of life, and let God get His will done on the earth through us.

Of course we use wisdom, and take one step at a time, but many things God asks us to do in life will not make logical sense—initially. This is what it means to “walk by faith” and not sight. But once you agree wholeheartedly with God’s will for your life, you will get to your correct shore! Be brave, and let nothing stop you from doing the will of God!

Write out your main “take away” from this lesson. Of all the things that you learned, what means the most to you in your relationship with God?
